Subject: research

To:  **Kristen Badger**

I'm finding that my students could benefit from the lesson that you teach on research. I know that some of them have already had that lesson in Ms. Black's class, but they could use a refresher. Some of them don't have Ms. Black's class. Is it possible to schedule this. The following classes could use the help - Block 1; Red 4; Blue 3 & Blue 4. What do you think?
