Students will underline examples of the following in the paragraph:
- Simile
- Metaphor
- Personification
- Hyperbole
- They need to label the examples

I love my dog. He is as big as a house. Every day he eats like a horse. His fur is as white as the snow and he is cuddly like a teddy bear. When I get home he jumps on me begging me to take him for a walk. He loves to play ball. Life is a game to him. At night he sings to the moon. I am so glad I have a dog.
