

Media Center

The mission of the Sebastian Middle School Media program is to promote a lifelong love of learning and reading by providing students and teachers with a rich variety of materials. Students are welcome to visit the Media Center anytime during the school day, with teacher permission. Library visits may include books checkout, lessons, and/or computer use. Students may borrow up to three library items at a time and they may keep these items for two weeks. After two weeks the items need to be returned or renewed (checked out again) in order to prevent fines. Items may be renewed as many times as needed unless the item is on hold for another patron. Students are responsible for paying the replacement cost for any lost or damaged Media items.

Throughout the school year the Media Center will be hosting many contests and activities for the enjoyment and enrichment of the students.
